Notice of Privacy Practices

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.
PLEASE REVIEW THIS NOTICE CAREFULLY**

Your health record contains personal information about you and your health. The information about you that may identify you and that relates to your past, present, or future physical and mental health or condition and related health care services is referred to as Protected Health Information (PHI). This Notice of Privacy Practices describes how we may use and disclose your PHI in accordance with applicable law and the APA Code of Ethics. It also describes your rights regarding how you may gain access to and control your PHI.

I am required by law to maintain the privacy of PHI and to provide you with notice of my legal duties and privacy practices with respect to PHI. I am required to abide by the terms of this Notice of Privacy Practices. I reserve the right to change the terms of my Notice of Privacy Practices at any time. Any new Notice of Privacy Practices will be effective for all PHI that I maintain at that time. I will provide you with a copy of the revised Notice of Privacy Practices by posting a copy in my office, sending a copy to you in the mail upon request, or providing one to you at your next appointment.

HOW I MAY USE AND DISCLOSE HEALTH INFORMATION ABOUT YOU

For Treatment

Your PHI may be used and disclosed by those who are involved in your care for the purpose of providing, coordinating, or managing your health care treatment and related services. This includes consultation with clinical supervisors or other treatment team members. I may disclose PHI to any other consultant only with your authorization.

For Payment

I may use and disclose any PHI so that I can receive payment for the treatment services provided to you. This will only be done with your authorization. Examples of payment-related activities are: making a determination of eligibility or coverage for insurance benefits, processing claims with your insurance company, reviewing services provided to you to determine medical necessity, or undertaking utilization review activities. IF it becomes necessary to use collection processes due to lack of payment for services, I will only disclose the minimum amount of PHI necessary for purposes of collection.

For Health Care Operations

I may use or disclose, as needed, your PHI in order to support our business activities including, but not limited to, quality assessment activities, employee review activities, licensing, and conducting or arranging for other business activities. For example, I may share your PHI with third parties that perform various business activities (e.g., billing or typing services) provided I have a written contract with the business that requires it to safeguard the privacy of your PHI. For training or teaching purposes, PHI will be disclosed only with your authorization.

Required by Law

Under the law, I must make disclosures of you PHI to you upon your request. In addition, I must make disclosures to the Secretary of the Department of Health and Human Services for the purpose of investigation or determining our compliance with the requirements of the Privacy Rule.
